Commodore's Report

Dear Members,

Here we are, just about halfway through the summer and it has been an unusually cool and windy. The weather has caused a couple of Yacht Clubs to cancel their Cruise In's but in one case, that lead to an awesome Luau held for our members. It was great fun and great food.

This whacky weather also meant we had to cancel the Epic Float. We will have another chance to float our stretch of the river in August when the Sacramento Yacht Club cruises in for a 007 themed weekend.

Dana and I would like to thank the host members and all of the volunteers that have made the last three events a lot of fun.

The Sacramento Yacht Club is our last official cruise in of the year but remember that we do have monthly membership dinners hosted by John and Patty Romero so we have many more opportunities to hang out, socialize, and enjoy our Clubhouse. Plus, we have the Halloween Party to look forward to in October.

Dana and I plan on taking full advantage the MWYC and the Oxbow Marina. We look forward to seeing all of you on the river.

Vice Commodore's Report

Dear Members,

THANK YOU, THANK YOU, THANK YOU!!! Your clubhouse has been busy and fun the last few weeks. And thank goodness, because the weather has not been the best for boating. Our recent member participation AND volunteerism have been absolutely great at the Luau, Independence Day Celebration, and Discovery Bay cruise-in. If I listed everyone to thank, I am afraid I might miss someone and the list would be really long! I will just say the decor, food, raffles, and all-around teamwork have all been fabulous! I hope you all had as much fun as I did.

I am looking forward to more fun with the club, including the 2023 version of Sacramento Yacht Club cruise-in next month!

We recently welcomed new members Janice and Jeff Torchia. They have jumped right into the fray of our club, helping and socializing!

Do you know someone who might be a good addition to our membership? If so, please invite them for a visit or send me their contact info and I will reach out to them.

Yours in service,

Kyle Cordes

Rear Commodore

Hello Members,

I must echo Vice Commodore Kyle's message. We are just coming from four weekends in a row with events that required lots of planning and efforts from our membership. I could not be more pleased with the amount of participation we have and the sharing of the workload that goes into making these events so successful.

I will be restocking the bar this week since our sales went through the roof this past few weeks. Please do not hesitate to inform me of any products you would like our bar to have on hand.

With the recent loss of our bar merchandiser refrigerator, I am thinking we should cut back on the number of beer brands. We had 17 different choices, but much of it goes unsold so I will consolidate to only the ones our members tend to drink.

I want to give a special thank you to Susan Cordes, Valerie Speno, and Port Captain Tommy Keller for all of their help with bartending during the Discovery Bay cruise in. We sold over \$1,200 in two nights!! That is a lot of drinks to pour and glasses to wash.

I'm looking forward to a very fun visit from Sacramento Yacht Club in a few weeks. Be on the lookout for the Evite detailing the weekend fun we have planned with that club.

See you at the club!

In your Service,

John Romero
