Commodore's Report

Dear Members,

Here it is the end of June and summer is just heating up, and what a great summer this will be. We will have plenty of opportunities to enjoy the Marina West Yacht Club with a great mix of cruise ins and cruise outs. Plus, a number of community events like The Fourth of July breakfast and Parade, the epic float, and The Poker Run. Log in to the MWYC website for all of the latest details.

The Board was negotiating with Oxbow Marina on rebuilding the back porch of the clubhouse. This would have provided outdoor seating for the bar and greatly increase the size of the bar when the weather allows us to open the doors. With the great delta breezes this would have been most of the time. Unfortunately, our AC unit totally crashed and thanks to the Marina staff and Kim Korth, we were back in business in less than week. Needless to say, this unforeseen major expense will delay any new construction. I will keep you up to date on any and all developments.

It has been a windy cool spring but it looks to be a great summer and Dana and I look forward to all the fun events Kyle, Tommy and Sam have cooked up. Plus, John and Patty are keeping the Wheel house Bar fully stock and ready for action. Be sure to check the MWYC website for all the latest news regarding club events that are coming up. Dana and I hope to see you all on the river.

Bill Power

Vice Commodore's Report

Dear Members,

For boaters, this is our favorite time of year, right? I think it is also the best time of year to be a member of our club. We have had awesome cruise-ins and events, with great food from Kathy. And John and Patty provided a great dinner for our recent member's meeting. We have also had our first cruise-out, led by Sam and Kathy. By the time you read this, we will probably have had our second cruise-out, this one to Power Squadron Island.

We will have our annual Independence Day celebration, pancake breakfast, and boat parade on July 6. This year, we are using the proceeds to support the Stockton Animal Shelter. Breakfast tickets are available at the Clubhouse Bar, from John directly, or at the marina office. If none of that works for you, you can Venmo me and I will hold tickets for you. Let me know at 707-380-9800. Tickets are \$15 and include a raffle ticket. Please let Tommy know if you will be in the boat parade. This year, the parade will go past the Oxbow homes as usual, and then those that want to go further will go to B&W and then return.

I hope you are all enjoying the club this summer! If you have not already done so, please consider renewing your membership.

Yours in service,

Kyle Cordes

Rear Commodore

Hello Members,

I hope your summer is off to a good start and you are enjoying the hot sunny days we are having.

Our next cruise in will be the weekend of July 12th to 14th. We could sure use some help behind the bar those evenings when the gang from Sacramento Yacht Club arrive. If you can help us out, please give me a call or text.

The monthly member's dinner and meeting in July will be Saturday, the 27th. I am open to dinner ideas for this one since it is prime BBQ season. Ribs? Gourmet Burgers? Let me know your thoughts. Be on the lookout for an Evite with more details mid-July.

Thanks to all of our members who took part in the Pancake Fundraiser for the Stockton Animal Shelter. They are truly deserving of any and all help we can give them.

Yours in service,

John Romero
