Commodore's Report

Dear Members,

Here it is the end of August already. Where has the summer gone? Luckily here in the Delta we usually have an Indian Summer and mild Fall so we should have plenty more opportunities to enjoy the river.

It is once again time for our nominating committee to select members that would like to run for office for 2024. The current slate of officers is willing to serve one more term if needed but I do encourage members to become more involved with the club. Please contact Patty Romero for more information on the qualifications needed to run for office and for the names of the people on the nominating committee. We also need someone to serve a two-year term as a director. This seat is appointed by the Board of Directors after the 2024 elections and is a member at large position on the Board. Cameron Chavez is terming out and Tom Forsythe has one more year to go. Speak with either of these two gentlemen or any officer to learn more about this position.

Sacramento Yacht Club paid M.W.Y.C. a visit in August and we all had a great time. Our next in-house events will be the Epic Float on September 2nd and the Halloween Party on October 28th. There is a one-day cruise out to the Lagoon Concert at Delta Cove. Check out the MWYC website for more details.

The Board is currently negotiating with Oxbow Marina on our clubhouse lease for 2024 and hopefully beyond. More details will be available soon.

It has been a fun summer and Dana and I look forward to a fantastic fall. Hope to see you on the river.

Vice Commodore's Report

Dear Members,

Summer is winding down. Days are getting shorter. Kids are back to school. But there is still plenty of fun with your club!

Check out the "Upcoming Events" page on our [website](#). Highlights include an Epic Float down the river on the Saturday of Labor Day weekend. Then on Sunday, join other members and boat to Delta Coves near Frank's Tract. Drop anchor in their lagoon and enjoy a free Yacht Rock concert with ***Yachty by Nature***.

Of course, October brings our annual Halloween Party where our members will be dressed to kill or maybe look like they have been killed! The party includes hors d'oeuvres, lots of fun decorations, live band, dancing, and libations from the bar!

At our last member meeting, many of our owners of larger boats met and committed to planning an overnight cruise-out that owners of small boats will also be able to participate in. More info to follow when available.

See? September and October are not so bad!

Oh. One more thing. Speaking of our website, Susan suggested that I add a link to the online catalog from Embroidery Works of Lodi. I have added a link on our website labeled "Ship Store Catalog." Clicking it will open a new window and take you to the catalog. Anything in the catalog can be embroidered with our logo. Due to minimum order requirements, please let Susan know of anything you want to order from the catalog, and she will collect the requests and place an order when we meet the minimum requirements.

Hello Members,

Although summer is rapidly fading away, I do look forward to the beginnings of Fall here in the Delta. In my opinion, it has always provided the most comfortable weather of the year. We still have plenty of time to enjoy water sports and events.

Our next major event is our Halloween Party. I have not yet determined what will be our 'Drink Special' for that evening so I would like to ask for suggestions from our membership. If you have one in mind that you think will appeal to our group, please send me the recipe or link to one by email to: jlromero1958@icloud.com

I want to remind everyone that in November, Patty and I will be away most of the month vacationing in Cozumel. If anyone would like to open the bar up for socializing on Friday or Saturday nights, I will be more than happy to walk you through our process of opening and closing.

I look forward to seeing everyone over Labor Day Weekend!
