Commodore's Report

Dear Members,

We are officially in the 2022 Cruise In season. We had a very successful cruise in with Delta Marine YC sponsored by Susan and Kyle Cordes along with Debby and Bob Steffensen. The food was excellent the games were fun. To top it all off, the club had a profitable weekend. Thank you Cordes's and Steffensen's and to all of the volunteers that made that weekend a huge success. On that Sunday, Kyle and I hosted a Super Bowl party that was fun for all that attended.

Our next Cruise In will be March 18th and 19th with the Delta Bayliner Club. Let's all support Tom and Birdie Forsythe and Patricia and Cameron Chavez with this fun event.

We now have internet service in the Clubhouse so we can now hold functions that involve sporting events or a Movie night. Contact myself or Rear Commodore John Romero with your ideas for future events for our members.

We have a new lease with Oxbow Marina that while it does come with an increase to our monthly rent from the last lease, it does offer some additional benefits such as the above-mentioned internet and the ability to expand the types of events we can have in the Clubhouse. Thankyou Kim Korth and your staff for helping us secure this lease agreement.

Our club currently has 33 memberships with a few more people that have requested applications. A great number for our club is 50 memberships. This would help keep us a small club but would provide us with enough people that we would have lots of volunteers for our events. We all need to get the word out on what a fun club we have.

We have a few membership drives planned for later in the year, but if you have a friend that would be a good fit, bring them by. Vice Commodore Kyle can help with information on new memberships and of course we have all the information on our website.

Respectfully,

Your Commodore 2022
Bill Power

Vice Commodore's Report

Dear Members,

I'm so happy that "Dear Members" represents more people again this month! Membership applications were approved by the board for Terry & Bridget Sholin and Kerry & Kevin Rose. Both couples own homes at Oxbow.

Susan and I co-hosted the February cruise-in with Deb and Bob Steffensen over Valentines weekend. We are all new to hosting, so it was a little intimidating for us to do. However, we all had a lot of fun working together, along with those who helped serve during the weekend. We used this assignment as a good excuse to break bread together a couple of times prior, to plan menus and other fun ideas for the cruise-in.

That said, we need more people to step up and help to host cruise-ins. I'd love to see friends, neighbors, acquaintances pair up to take on the hosting roll. Also, if you really want to dip your toe but only your toe for now, would you consider asking a host if you can be responsible for a single dish or desert? It really is fun to work together! Check out the calendar at the end of this newsletter to see where hosts are still needed, and to see who is already scheduled to host an event and ask them how you can participate and help! Any questions? Please contact me!

Your Vice Commodore 2022

Hello Members,

Welcome to March! You won't want to miss the Saint Patrick's party with the Delta Bayliner Club. Please see flyer in this month's newsletter.

I am so pleased to see us bringing on new members these past couple of months. There are plenty of good candidates in our Oxbow community that have not yet joined and I encourage everyone to invite a friend or neighbor as a guest to an event so they can experience our club. Our new member application form is online at our web site:

<https://www.marinawestyachtclub.com/>

Our next membership meeting will be on March 26th and I will be emailing an Evite with the details about dinner as soon as we get closer to the date. I welcome suggestions for meal choices or a Pot Luck theme for these dinners.

With Spring right around the corner, I would like to see the clubhouse open on both Friday and Saturday evenings in between Club Cruise-Ins. Keeping the bar and clubhouse open regularly is essential for our financial health. It would be very helpful if we could get a few members to volunteers to bartend for a couple hours on those nights. Please consider donating some time to fill a shift. I am more than happy to show you how things work and where we keep the supplies to run the bar. It can be fun and a great way to get to know your fellow members.

Don't forget we have an excellent vendor set up for your M.W.Y.C. logo items like shirts, bags, and hats. You may even bring your own items to have the embroidery work done. See me at the club for details.

Port Captain's Report

Hello M.W.YC. Members,

Our first cruise in of the year has come and gone with great success. Delta Marina Yacht Club's nine boats had almost summer like weather. Everyone gathered at our club Friday night for drinks, dinner and our Knot So Newlywed game featuring Bobby (harbor master Gina) Eubanks as our emcee. The game was a great way for our two clubs to interact and get to know each other better.

Saturday night was our Valentines dinner which included a raffle and dancing afterwards. D.M.Y.C. members said they enjoyed the meals, had fun and were looking forward to returning again next year.

Our next cruise in is March 18-20th with Delta Bayliner Yacht Club. Friday and Saturday night dinners will be a St. Patrick's Day menu. We hope you can join us and welcome our D.B.Y.C. guests.

In your service,

Your Port Captain 2022
Bob Steffensen
