Commodore's Report

Dear Members,

May has been a great month to kick off the boating season here at the Marina West Yacht Club. The Club held a Cinco de Mayo party that was a blast. Oxbow Marina co-hosted a Delta Chamber Mixer that was a big hit with the Chamber members. We had two Yacht Clubs visiting Oxbow Marina stop by the Wheel House Bar to meet our members and enjoy a cold drink or two. Port Captain, Bob Steffensen, set up a Sunday Fun Day at Tower Park Waterfront Grill and we topped it off with a very fun Indy 500 watch party Hosted by Susan and Kyle Cordes.

The By-Laws of M.W.Y.C. were approved at our May general membership meeting. Vice Commodore Kyle Cordes will now be tackling the rules and regulations. These, like the by-laws, are outdated and need to be brought into the 21st century. Please contact Kyle if you would like to be a member of the rules and regulations committee.

Our website update is going well. Thanks for the input I received from our Board of Directors. We hope to have our new site up by the end of the month.

John and Patty are doing a great job keeping the club open on Friday and Saturday night and I thank them very much. We are one of the few Yacht Clubs in the Delta with a bar and it is important that people know that they can stop by and enjoy a cocktail at the Wheel House during the summer months.

I mentioned above that yacht clubs visiting the Marina stopped by the clubhouse to visit. They can do this because **M.W.Y.C. is a member of the Pacific Inter-Club Yacht Association (P.I.C.Y.A.)**. P.I.C.Y.A. members can visit other Yacht Clubs and enjoy their facilities while traveling. This is why we issue M.W.Y.C. membership cards and a second set of travel name badges. This is a great added benefit of membership that you should take advantage of during your summer vacation. It was said over the last weekend by the Commodore of the Barbary Coast Boating Club, "the best thing about the yachting community is the members of the yachting community". Meeting new people and having fun is why Dana and I joined the Yacht Club

Our next event will be the Delta Bayliner Club cruise-in on Friday, June 10th at 6 PM. The theme is "Summer BBQ" with burgers and hotdogs on Friday and pulled pork and chicken on Saturday.

Now that we are officially in the summer months, I hope to see all of you on the river and at the Clubhouse.

Respectfully,

Your Commodore 2022
Bill Power

Vice Commodore's Report

Dear Members,

Welcome to summer! Finally! We will be celebrating the start of summer at the clubhouse the weekend of June 10th and 11th with BBQ theme dinners and a little corn-hole competition on Saturday evening. We will be joined by some friends from the Delta Bayliner Club. Are you thinking, "Is this a cruise in?" Well, yes, it is. But we want cruise-ins to be more about "us" and less about serving another club, so the focus is on having a weekend summer party for us. To keep it from becoming too much work, a bunch of us are sharing food prep duties, including me and Susan, the Powers, the Romeros, Karen Kleckner, and Jim Mrazek. Many hands make light work!

As mentioned elsewhere in this newsletter, you will soon be receiving your annual dues renewal notice. This year it includes a little survey to help us identify members that are willing to help run the club. Please self-identify any ways in which you are willing to help or simply to learn more if you're curious. This is not mandatory, of course, but we are always looking for the many hands that make light work.

Yours in service,

Kyle Cordes

Hello Members,

We recently added a new burgee to our collection in the bar. The Bay Area based **Barbary Coast Boating Club** spent Memorial Day weekend at the Oxbow guest docks. We had them come up for cocktails on Saturday evening and we had an official burgee exchange between our clubs.

With the help of Bob Steffensen, we moved a rug from the main area to the bar in hopes it would improve the acoustics in that room. So far, I think it's helping but we have more work to do. We are looking into an acoustic tile that could be suspended from the ceiling and absorb more of the noise. In other bar news, we have added a few more wine selections at the request of some members and I have recently restocked our special Tequilas with Casamigos brand selections. We still have Don Julio and Patron, plus Cazadores.

If you haven't already, please check out all of the great items we have in stock for the Ship's Store. There is a good selection of MWYC logo items like hats and tote bags plus we have the tie dyed "Peace, Love, Boating" shirts which everyone loves. These make great gifts too.

The next members meeting and dinner will be Saturday 18th and we will be doing a Pot Luck meal. Patty and I will be providing enough Fried Chicken for everyone who R.S.V.P.'s to the Evite, and we ask that you all provide sides and dessert items. I will send the Evite to remind you all a week before the meeting.

See you at the clubhouse!

In your service,

John Romero

Port Captain's Report

Hello Members,

Month of May saw a number of activities without an official cruise in.

Beginning of May saw Willow Berm Yacht Club join us for Cinco De Mayo, then Tower Park Yacht Club came down for a Friday bar night and finally Barbary Coast Yacht Club is expected on the Memorial Day weekend to do a burgee exchange. Finishing up May is our Indy 500 party.

Most of the clubs that come here do not have a clubhouse so if you get a chance come down and join our guests. It's a great way to get to know others that share the same interest of delta boating.

Our may Sunday Funday was to Tower Park Grille with about 14 people attending. All Sunday Funday's will be accessible by boat or car. Since the scheduled June Sunday Funday falls on Father's Day we will wait until July for our next official Sunday Funday.

Our next cruise in is Delta Bayliner June 10th-12th. See Flyer on Page 7.

Recently some M.W.Y.C. members were guest of Sacramento Yacht Club for their opening day. While in the bar one of their members noticed our M.W.Y.C. burgee was not showing in the spot they reserve for visiting clubs. **The question then became how many yacht club members does it take to place our burgee. Answer-4. (I'm sure they had a step stool hiding somewhere)**
