Commodore's Report

Dear Members,

We had another successful Cruise in with Delta Bayliner Club. The food was excellent and the Bayliner Club had a great time. This event was also profitable for our club. Thank you, Tom and Birdie Forsythe and Patricia and Cameron Chavez, and to all of the volunteers that made that weekend a huge success.

Our next Cruise In will be April 8th and 9th with the Sacramento Bayliner Club. Let's all support this fun event. Our goal is to have the Clubhouse open every Friday and Saturday night for the next 6 or 7 months. Right now, John and Patty Romero are the ones that we rely on to open the club. I would like to have a sign-up sheet so members can volunteer to help with this task. John is giving a bartender training day for all members who would like to learn how to man the bar. The date of the first training will be April 23rd at 4:30 p.m. John will send out an evite if you are interested.

We have a few events that are on the calendar that do not have sponsors or the current sponsor can use additional help. Our current calendar is on page 11 of this newsletter and it's posted on the bulletin board at the clubhouse. Any event that has an empty red line _____ shows an event where help is needed. Debby Steffensen needs help with the opening day celebration on April 24th and no one has volunteered to host the Delta Bayliner Club #2 cruise in on June 10th and 11th. If you are uncertain on what is required of the host/sponsor, come in and talk one of the recent hosts. OR volunteer to assist the Romero's or the Steffensen's on the two events in April.

I am doing my best to keep our website up to date and the content accurate, but I am not super handy with the WIX program that our site is written in. If anyone would like to help me and our Club, I will be more than happy to share our login credentials. There are several things I would like to add but I have been unsuccessful.

Respectfully,

Your Commodore 2022
Bill Power

Vice Commodore's Report

Dear Members,

Susan and I are originally from Indiana, so when the high school basketball tournament ends, that means the snow ends and it's time to get excited about the next big Indiana tradition... (pause for effect...) The Indianapolis 500, the Sunday of Memorial Day weekend since 1911! I have attended the Indy 500 about 30 times, and most of those have been with Susan. It's a fabulous event and is the world's largest single day sporting event with about 300,000 people in attendance.

We aren't going "Back home again in Indiana" this year, (five points to you if you know the reference) so instead, we will be hosting an Indy 500 watch party at the clubhouse. The date is May 29th. This will be a morning event culminating with lunch, leaving you with the afternoon to get on the water. Be on the lookout for more information. I hope you and any Memorial Day guests will attend. I promise you a good time, whether you are a race fan or not! Look for this and other fun events on our club calendar.

Hello Members,

I am happy to report that we have a complete set of pictures for our current officers and directors that are displayed at the entrance to the clubhouse.

Don't forget to send me a picture of your boat so we can add it to the wall that shows off our member fleet. Thanks to those who have already sent them in!

The month April has one cruise in from the Sacramento Bayliner Club on the weekend of 4/8 & 4/9. An Evite was sent to the membership already so please rsvp through that link. Also see details in this newsletter. If you are not getting our Evites and texts about what is happening at the clubhouse, please get in touch with me so I can help rectify that.

I am always open to requests for new products in our bar. We have just added Buffalo Trace bourbon from Kentucky and will soon offer a Rose' wine selection suggested by member, Karen Kleckner.

With the better weather coming our way, it seems we will be seeing more boaters and homeowners around Oxbow. I will be opening the bar on BOTH Friday and Saturday nights as long as there is interest from our members. As always, I am looking for other members to assist with bartender duty on those evenings and when we have events that require additional help. Please contact me if you are interested in helping your club this way.

Port Captain's Report

Hello Members,

Our second cruise in was another success. Delta Bayliner came in Friday on another one of our amazing summer like days. Saturday returned to a more seasonal rainy day with Sunday clearing for their journey back to home port. Thankyou Patricia, Cameron, Tom, Birdie and everyone who was a part of this weekend.

Our next cruise in is with Sacramento Bayliner Club on April 8-10th. Hope you can join us and our visiting club for some libations, good food and a fun time.

Coming soon will be some fun day trips that will be accessible by boat or by car. Stay tuned for more info soon.

Your Port Captain 2022
Bob Steffensen
