Commodore's Report

Hello members,

Spring is finally here and things are starting to look up as we begin to open our doors. Thanks to Bob & Debby Steffensen the clubhouse looks great due to their contributions in making it look like your home away from home. [Thankyou Bob & Debby!](#)

John and Patty Romero opened the Clubhouse this month on Friday nights for Pizza, Salad & Dessert. Coming out of the gate they have done exceptional job after being closed for a year. We have had a really good turn out and we are getting lots of inquiries about our club from people are that are very interested in joining. I want to thank them again for everything they have done for our club and all the hard work they have put in and still are.

We are having our first General Membership Meeting on Saturday, May 8th @ 7 PM (Bar Opens @ 6 PM). This will be our first Membership Meeting since early 2020 when everything closed down due to COVID-19. I am really excited to see our members and hope to see a huge turn out to support the Yacht Club. Cameron Chavez will be preparing a special dinner for us. I have been contacting members via email, text and by phone regarding the dinner and would like to get quick responses back on who will be attending and how many so we can have an accurate headcount.

Deborah Cameron recently retired from her position as Treasurer for MWYC 2018-2021. I cannot thank Deborah enough for taking on this position in 2018 and creating a system through Quick Books to help track expenses and income.

I am pleased to announce that Patricia Chavez has replaced Deborah as our Treasurer of MWYC for 2021. Patricia has extreme knowledgeable of Quick Books and I look forward to working her. Patricia has already sent out invoices for membership for July 1, 2021 thru June 30, 2022. Invoices were sent via email so please let her know if you have not received it @ patriciaannchavez14@gmail.com Due Date is July 1, 2021.

To date we have four cruise ins booked. The Delta Bayliner Club is coming in June & August and Discovery Bay is coming in July & September. I will be reaching out to other clubs starting in May to try and get more clubs to visit us. [Our calendar for 2021 is on page 4 of the Anchor.](#) [You can also obtain a printed copy at the clubhouse.](#)

I would like to thank each everyone again for all your support and look forward to seeing you come out to our cruise ins and help in any way you can in serving, clean up and even volunteering in meal preparation.

Respectfully,
Your Commodore 2021
Paul Cameron

Staff Commodore's Report

Welcome Back Everyone!

Now that we are allowed to reopen the clubhouse bar, it's time to get back to socializing with all the great people here in Oxbow.

I plan to adjust our liquor, wine, and beer selections to better reflect the choices of our current membership. Your suggestions and requests are always welcome so feel free to ask me to stock something if we do not already have it.

We are in need of some volunteers to staff the bar when I am away on vacation. If you are interested in helping your club, this is a sure-fire way to make an impact. This is a great way to get to know your fellow members too as everyone likes to chat with the bartender. Please get in touch with me if you are willing to help. You would be surprised at how easy the credit card machine and change drawer are to use.

Thank you for your loyalty and support of MWYC.

In your service,
Your Staff Commodore 2021
John Romero
