Commodore's Report

Hello members,

2020 was a year that will be hard to forget. Everyone has faced challenges with the COVID-19, the economy and all the businesses that were affected by this virus including our Yacht Club. We only had three cruise ins in 2020 and we had to close our doors for eight months. Luckily, Kim Korth was able to give us a huge discount in rent through Oct. of 2020, but when we saw we were not going to be able to open again until mid-2021, she decreased our rent to zero through June of 2021 if needed.

On another note, since we were able to not pay rent, we have paid our insurance bill for the yacht club for 2021. We are ready to go now when Sacramento County gives us the approval to open. The Board of Directors approved a motion to extend the membership of all members in good standing to June 30th, 2021. This action was taken to provide our loyal members a half year due's free as we have not been able to offer any events for so long. Invoices for renewals will be sent out in June 2021 for the upcoming year that will be July 1st 2021 through June 30th 2022.

We already have on the books several cruise ins for 2021. Discovery Bay twice and Delta Yacht Club once. This will be a good shot in the arm for us. We still need to reach out to the other clubs that have cruised into MWYC in the past and see if can get more sign ups.

One of the things that I ask is that with the cruise ins, we will need help from our members. It takes a lot of work to put on the dinners and clean up, so many hands make the job go much easier. I know lots of you helped out in the past, but we need all onboard to get us through 2021. We will only have basically six months to ready us financially for 2022.

We have lost some members in 2020 due to the economy, COVID-19, and people moving. We will be looking to bring our membership levels up again. I also look forward to a 4th of July event, a Christmas lighted boat parade with a possible dinner after, New Year's Party, and maybe several member barbeques.

Respectfully,
Your Commodore 2021
Paul Cameron

Staff Commodore's Report

Welcome to February!

Next month will mark a year since we were forced to shut down our clubhouse and bar due to the COVID-19 restrictions in place for Sacramento County.

I would like to congratulate Paul Cameron as our new Commodore for 2021. Under Paul's leadership, we hope to overcome the financial hardship we have endured from being shut down so long. There are several positions on Paul's board of directors that need to be filled. Please consider helping your club by lending your expertise and opinions on how we run things. Contact Paul or myself if you are interested.

For the coming year I will serve on Paul's board as Staff Commodore as well as the Club Manager role which I have been performing since 2016.

I am looking forward to when we can reopen and work towards building membership back up to a sustainable level.

Thank you for your loyalty and support of MWYC.

In your service,
Your Staff Commodore 2021
John Romero

*Belated wishes to all the birthdays we missed in
2020 and January 2021.*

*Your Free Drink Tokes will be available at the bar
as soon as we re-open the Clubhouse.*
