Commodore's Report

Hello members,

It has been a real rough year (2020) but we are now on the road back. 2021 started out slow but in April John Romero started having the Friday Pizza nights again. Thank you to all our members for coming out and joining us.

June is starting out with a really good push. We have two cruise ins this month. Delta Bay Liner YC is coming in 11th, they were scheduled for 2020 but do to the COVID-19, they moved their date to 2021. We are very excited to have them back. Two weeks later we host Willow Berm YC for the closing of June.

July is a very busy month and we are hosting a 4th of July all day event. We start out with a Pancake breakfast, the fire dept will be there to help with cooking cleaning and serving. We will be doing a 50/50 ticket sale where the proceeds will be split between the Fire Dept and the winner of the ticket called. We also will have the Fire Dept put out boots for donations. We will also be doing a membership drive. Once the breakfast is over, around 10:30-11:00 am, we will get ready for our 4th of July boat parade which will start at 12:30 and end around 2:30. After the parade is over, we again will have the Fire Dept help us with a hot dog/hamburger luncheon that will start at 3pm and go to approx. 5:30pm.

The second week of July we have the Discovery Bay YC coming in. I hope to see our members and guests come and enjoy the events and support our club. This year will be a fantastic year for our club.

Happy boating and be safe!

Respectfully,
Your Commodore 2021
Paul Cameron

Staff Commodore's Report

Hello everyone,

Please remember we had a price adjustment that became effective June 1st for Drink Tokens. You will now receive 8 tokens instead of 7, but the price is \$25.

I need some members to cover the bartending tasks on either a Friday or Saturday night when I am away traveling. It's very simple and I look forward to training anyone who is interested in helping.

If there is a type of beverage you would like me to stock that we do not already have, please let me know. I am doing business with a new supplier for certain beers and sodas, and they have a very large selection of craft beers as well as domestic favorites.

Thank you for your loyalty and support of MWYC.

In your service,
Your Staff Commodore 2021
John Romero
